**REQUEST FOR RECONSIDERATION OF PETITION UNDER 37 CFR 1.47 (a)**

Mail Stop Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Attn: Christina Tartera Donnell  
Petitions Attorney

Dear Ms. Tartera Donnell:

This is in response to the Decision Refusing Status Under 37 CFR 1.47(a) dated January 21, 2005.

In the Decision mailed January 21, 2005, it is indicated that the petition under 37 C.F.R. § 1.47(a) was dismissed. The Decision indicates that the oath or declaration was not in compliance with 37 C.F.R. § 1.63 and 1.64 because the mailing address of inventors Mark Kelly and Yong Qin were altered but not initialed and dated and because the mailing address of inventor Min S. Lee was not indicated. The Decision indicates that the deficiencies can be corrected by submitting an oath or declaration in compliance with 37 C.F.R. § 1.63 and 1.67 that identifies the entire inventive entity, the correct mailing address and citizenship of each inventor, and is signed by the five signing inventors on behalf of the non-signing inventor, Min S. Lee. Accordingly, submitted herewith is a

Declaration listing all of the inventors, signed and dated by five of the inventors, Mark Kelly, Hugo Villar, Jiangqiang Wang, Yong Qin and Daniel S. Sem, with changes initialed and dated by the respective inventors, and listing the last known mailing address of inventor Min S. Lee.

Reconsideration of the Decision on Petition under 35 U.S.C. § 1.47(a) is respectfully requested. If there are any questions, please contact the undersigned agent.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 502624 and please credit any excess fees to such deposit account.

Respectfully submitted,

McDERMOTT WILL & EMERY LLP
